Chapter 4.5. Division of Workers' Compensation
Subchapter 1. Administrative Director--Administrative Rules
Article 5.7 Fees for Interpreter Services

[New Query](#)

§9795.3. Fees for Interpreter Services.

(a) Fees for services performed by a certified or provisionally certified interpreter, upon request of an employee who does not proficiently speak or understand the English language, shall be paid by the claims administrator for any of the following events:

(1) An examination by a physician to which an injured employee submits at the requests of the claims administrator, the administrative director, or the appeals board;

(2) A medical treatment appointment;

(3) A comprehensive medical-legal evaluation as defined in subdivision (c) of Section 9793, a follow-up medical-legal evaluation as defined in subdivision (f) of Section 9793, or a supplemental medical-legal evaluation as defined in subdivision (k) of Section 9793; provided, however, that payment for interpreter's fees by the claims administrator shall not be required under this paragraph unless the medical report to which the services apply is compensable in accordance with Article 5.6. Nothing in this paragraph, however, shall be construed to relieve the party who retains an interpreter from liability to pay the interpreter's fees in the event the claims administrator is not liable.

(4) A deposition of an injured employee or any person claiming benefits as a dependent of an injured employee, at the request of the claims administrator, including the following related events:

(i) Preparation of the deponent immediately prior to the deposition,

(ii) Reading of a deposition to a deponent prior to signing, and,

(iii) Reading of prior volumes to a deponent in preparation for continuation of a deposition.

(5) An appeals board hearing, or arbitration.

(6) A conference held by an information and assistance officer pursuant to Chapter 2.5 (commencing with Section 5450) of Part 4 of Division 4 of the Labor Code to assist in resolving a dispute between an injured employee and a claims administrator.

(7) Other similar settings determined by the Workers' Compensation Appeals Board to be reasonable and necessary to determine the validity and extent of injury to an employee.

(b) The following fees for interpreter services provided by a certified or provisionally certified interpreter shall be presumed to be reasonable:

(1) For an appeals board hearing, arbitration, or deposition: interpreter fees shall be billed and paid at the greater of the following (i) at the rate for one-half day or one full day as set forth in the Superior Court fee schedule for interpreters in the county where the service was provided, or (ii) at the market rate. The interpreter shall establish the market rate for the interpreter's services by submitting documentation to the claims administrator, including a list of recent similar services performed and the amounts paid for those services. Services over 8 hours shall be paid at the rate of one-eighth the full day rate for each hour of service over 8 hours.

(2) For all other events listed under subdivision (a), interpreter fees shall be billed and paid at the rate of \$11.25 per quarter hour or portion thereof, with a minimum payment of two hours, or the market rate, whichever is greater. The interpreter shall establish the market rate for the interpreter's services by submitting documentation to the claims administrator, including a list of recent similar services performed and the amounts paid for those services.

(3) The fee in paragraph (1) or (2) shall include, when requested and adequately documented by the interpreter, payment for mileage and travel time where reasonable and necessary to provide the service, and where the distance between the interpreter's place of business and the place where the service was rendered is over 25 miles. Travel time is not deemed reasonable and necessary where a qualified interpreter listed in the master listing for the county where the service is to be provided can be present to provide the service without the necessity of excessive travel.

(i) Mileage shall be paid at the minimum rate adopted by the Director of the Department of Personnel Administration pursuant to Section 19820 of the Government Code for non-represented (excluded) employees at Title 2, CCR Â§ 599.631(a).

(ii) Travel time shall be paid at the rate of \$5.00 per quarter hour or portion thereof.

(c) Unless notified of a cancellation at least 24 hours prior to the time the service is to be provided, the interpreter shall be paid no less than the minimum fee.

(d) Nothing in this section shall preclude payment to an interpreter or agency for interpreting services based on an agreement made in advance of services between the interpreter or agency and the claims administrator, regardless of whether or not such payment is less than, or exceeds, the fees set forth in this section.

(e) The fees set forth in subdivision (b) shall be presumed reasonable for services provided by provisionally certified interpreters only if efforts to obtain a certified interpreter are documented and submitted to the claims administrator with the bill for services. Efforts to obtain a certified interpreter shall also be disclosed in any document based in whole or in part on information obtained through a provisionally certified interpreter.

(f) It is the responsibility of the party producing a witness requiring an interpreter to arrange for the presence of the interpreter.

What's New
Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

Purpose of Form
An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).
